Knowlton Swim Club's

Blazing Summer of Fun!

A different activity every weekday starting about 1:00 pm:

Sharks & Minnows Monday

Be ready for spirited play of this classic pool game.

The Tuesday Tossup

Ever want to catch a football while diving? We'll toss and catch balls while using the diving boards.

Water Polo Wednesday

We'll learn how to play this fast-paced Olympic sport. Never played? Now's the time to start.

Thumpin' Thursday

Teams will battle while learning a new pool game and one of them is going to get a thumpin'. Don't let it be your team!

Floaty Friday

You'll need a pool inflatable for whatever game we play. It's just that simple – and that much fun!

*Most activities will take place in the dive well (diving will be closed during this time). **Listen for the daily announcement for directions.***
