PARTY DETAILS & RULES

The party begins with your hayride which must depart on schedule. Please check your contract and note your time. Two adults must be on the wagon for the hayride.

The host should arrive 30 minutes early. Please schedule your guests to arrive early and allow extra time for yourself and your guests in the fall as it will take longer to park and get to the party area.

The party time is 2 hours. Please be courteous about the amount of time your group uses the tables in the birthday party area, space is limited.

A \$75 non-refundable, non-transferable deposit is due at the time of booking to hold your reservation. We will do everything possible to reschedule your party in the event of inclement weather or any unforeseen circumstance. **An additional non-refundable deposit may be required per Party Extra.**

DOES THE PARTY INCLUDE ADULTS?

The party includes the number of people for which we provide food, paper goods and seating. It is also the number of people permitted to ride on the wagon. Remember, most parents want to accompany their child on the hayride, especially younger children, so please plan accordingly.

At least two adults are required to supervise the children on the wagon and should be counted when figuring party size and cost.

WHAT HAPPENS IF IT RAINS?

In the event of inclement weather, the party will need to be rescheduled as it is an outdoor event. Linvilla will make every effort to reschedule your party. No rain dates can be scheduled in advance.

We accept credit card or cash. No checks.

All final changes to your party must be made before noon on the Thursday prior to your party date. No exceptions.

Please read our posted rules on our website & contract. By paying your deposit you are indicating your agreement with the rules.

Information is subject to change. Revised 6/23.
